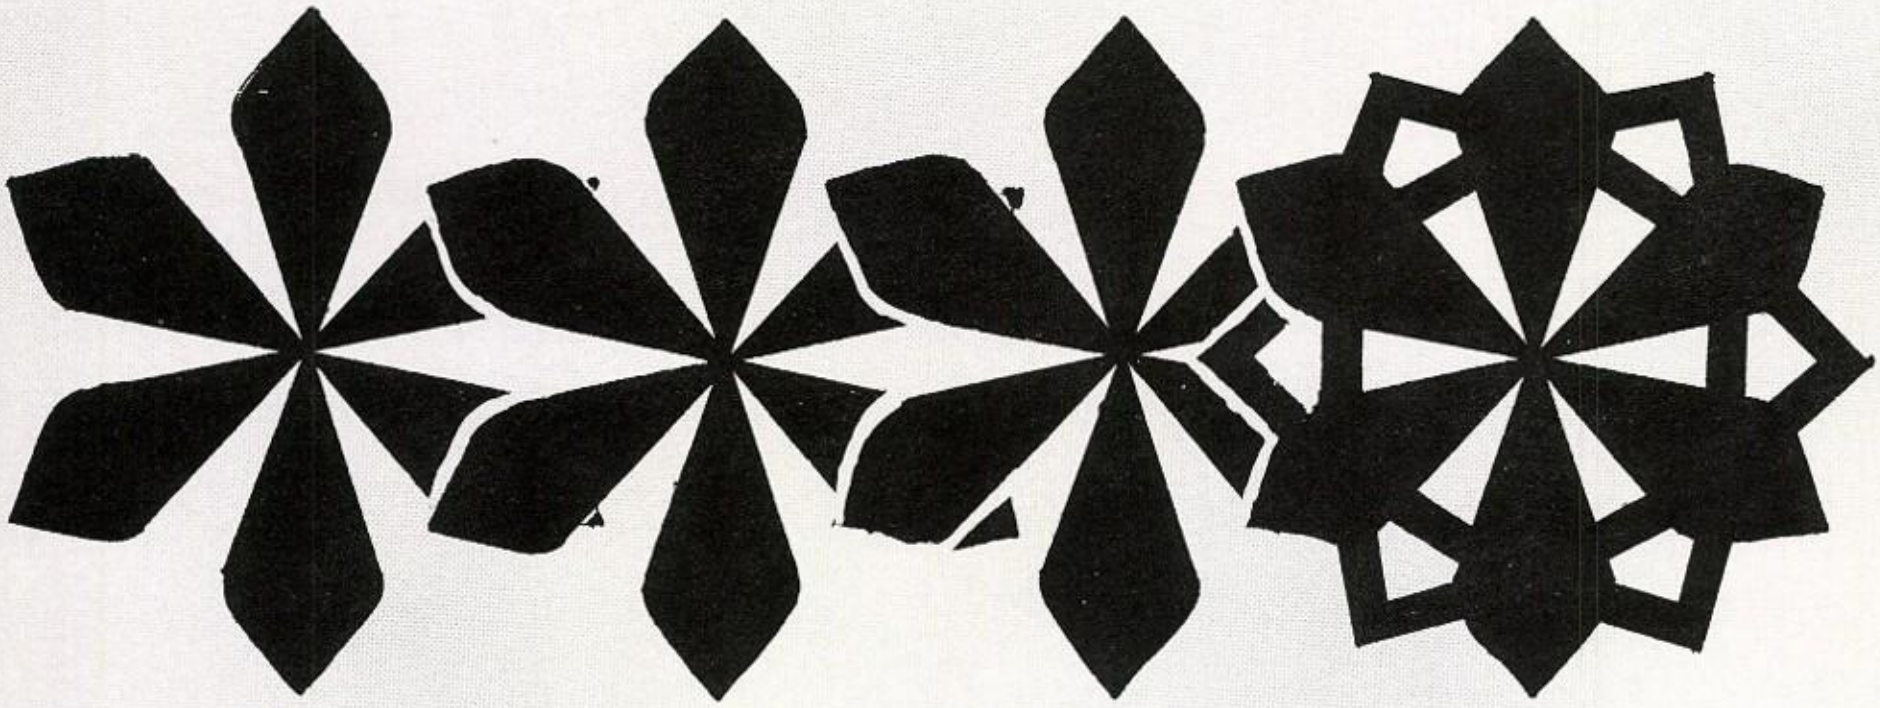
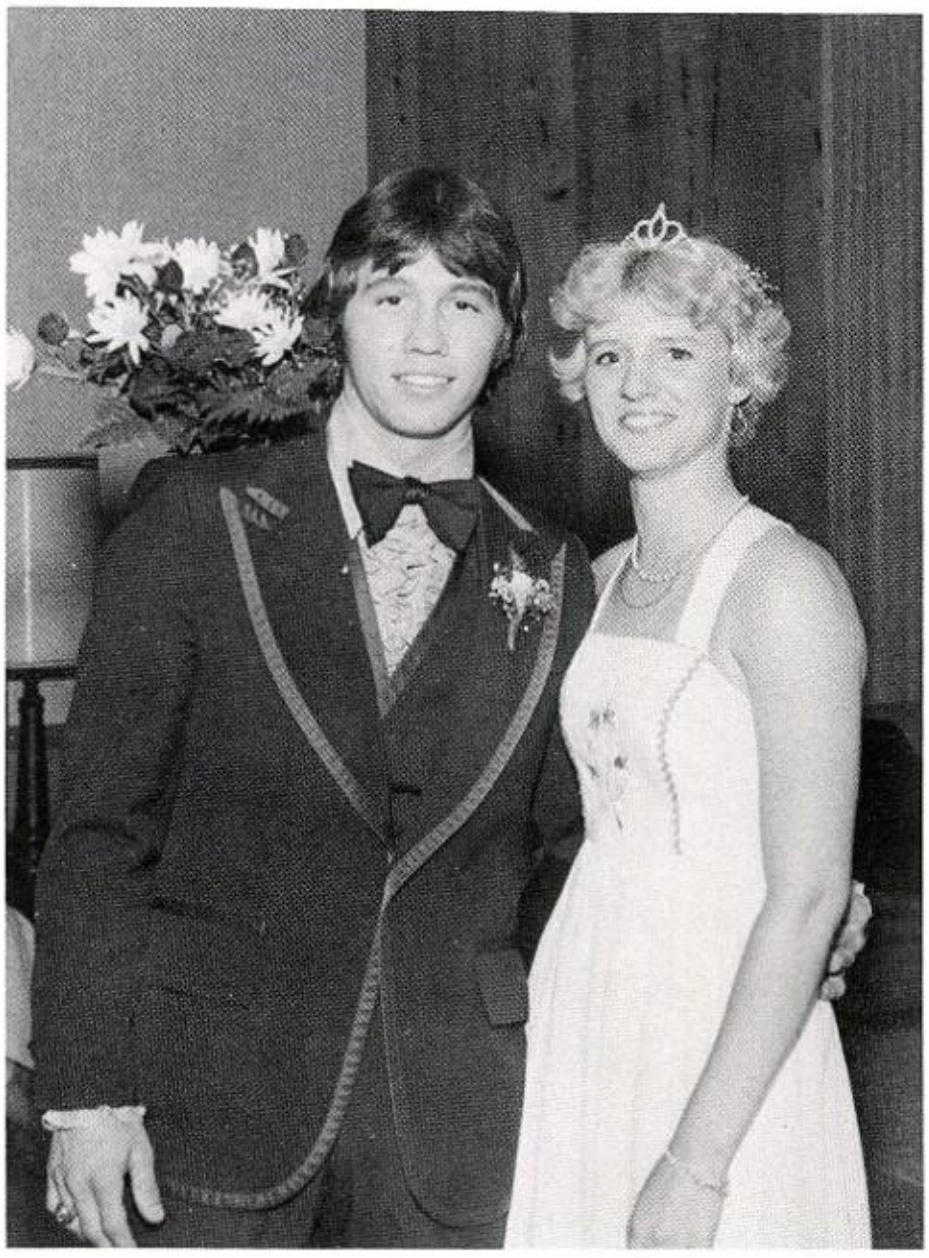
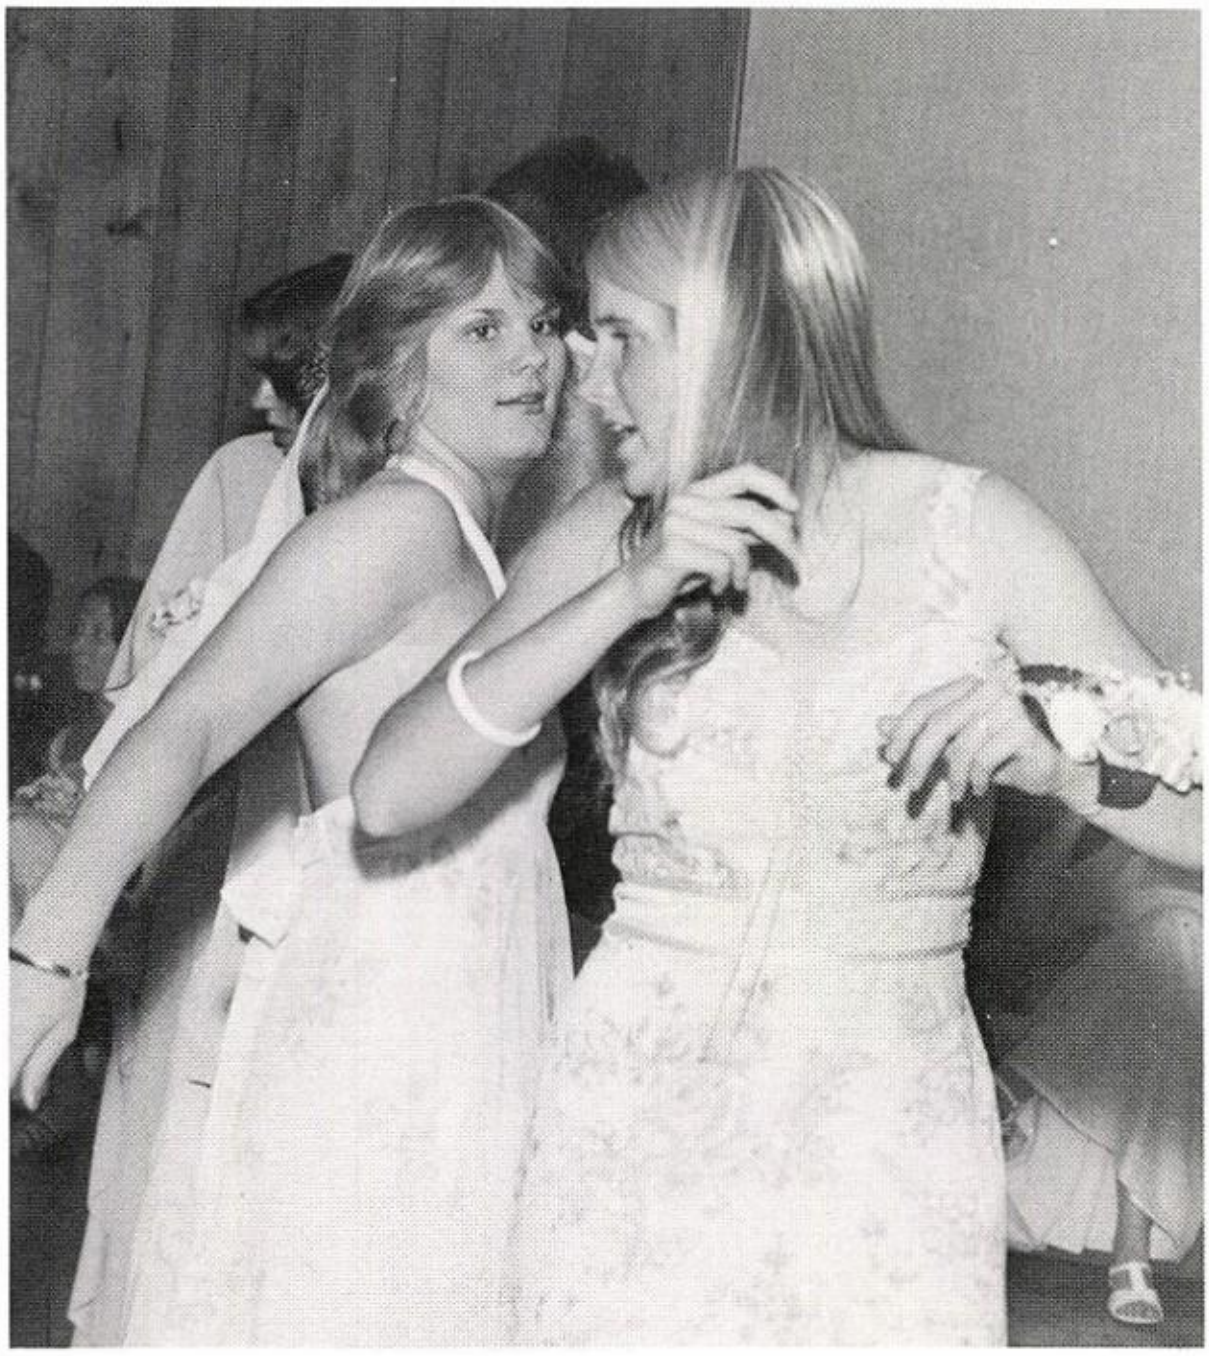
# EVENTS



# "Misty Water Colored Memories"





The 1977 Prom "Misty Water Colored Memories" was held on Saturday, June 4th at the Heatherdowns Country Club. It was unique in that it was the first dinner dance, and that a king was named along with a queen. Tami Spoerl and Dave Ball were crowned queen and king. Their court included Amy Kohring and Larry Papenfuss, Laura Lapointe and Don Kohntopp, Sue Matuszynski and Gregg Darah, and Shelly Rigney and Rick O'Brien. # FACULTY

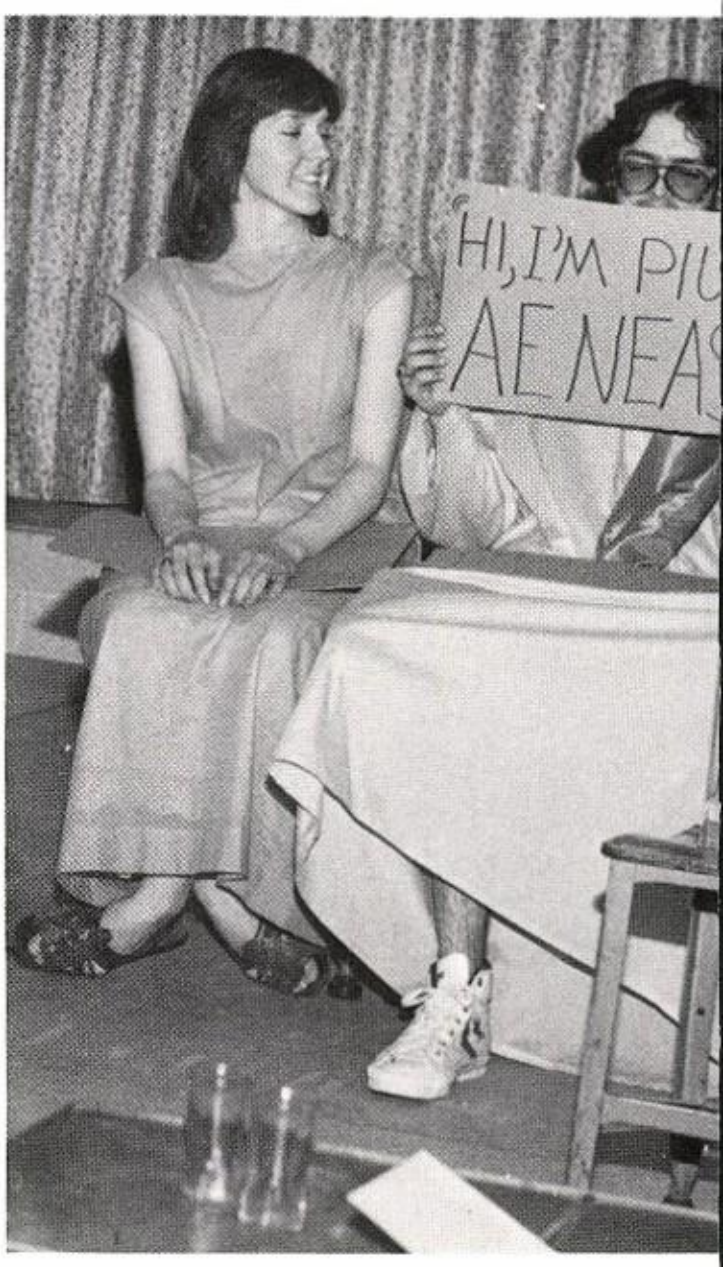
The students eagerly filled the gym Thursday, January 12th, 1978 awaiting an exciting basketball game. They had come to see their "favorite" teachers matched against members of the varsity football team. Although coached by Todd Thompson and aided by referee Don Osinski, both varsity basketball players, the Rebel football stars were not able to defeat their faculty opponents. The game, highlighted by the appearance of "gorgeous" cheerleaders Randy Adams, Mark Evans, and Jeff Prala, proved to be an exciting break from an otherwise routine day.

# International Festival



Bowsher held its 3rd annual International Festival on Friday, February 17. The gala event was sponsored by the French, German, Latin, and Spanish clubs. Entertainment for the evening was provided by those clubs with skits and songs and even a Latin "Newlywed Game." Food from the different countries was prepared and served to many friends, parents, and club members.

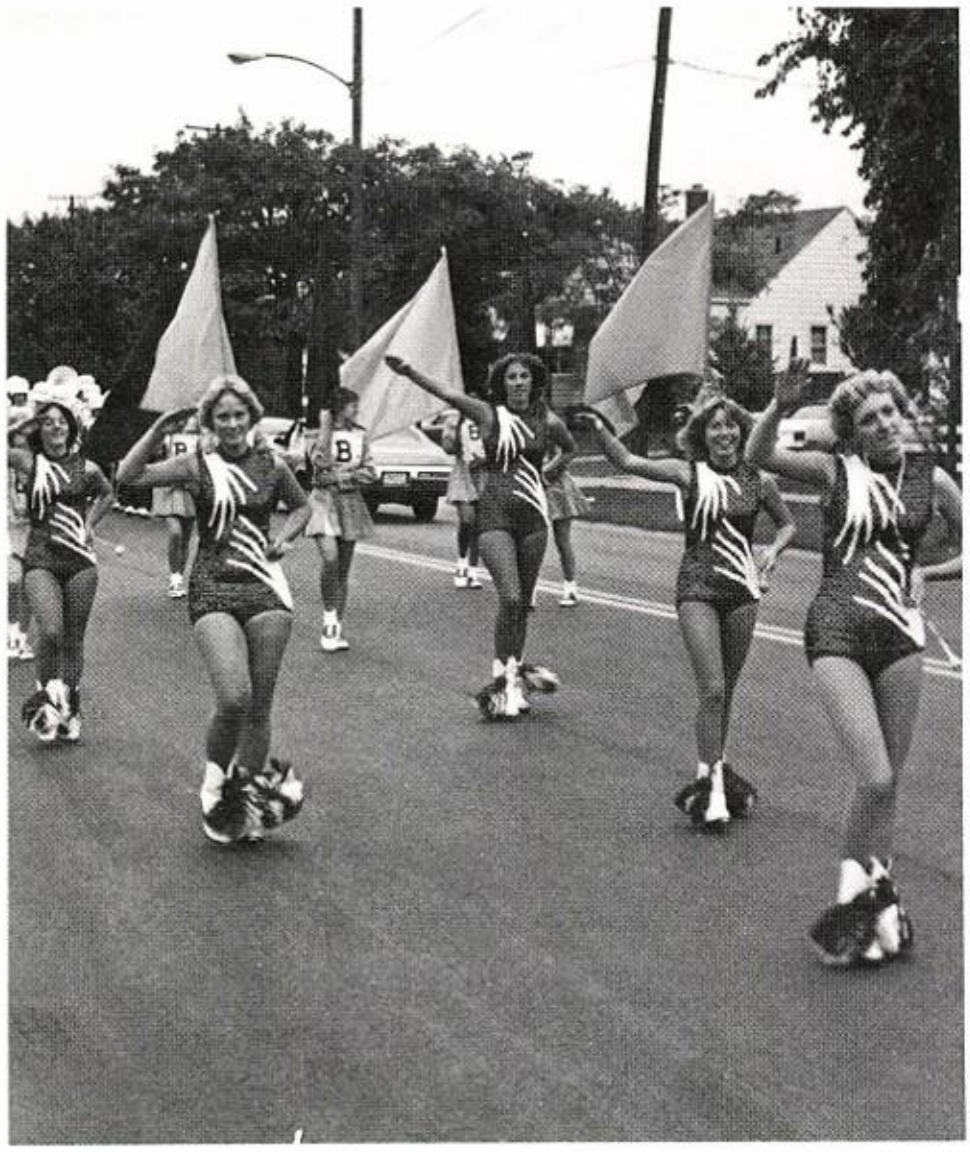
# HOMECOMING
# 1977



Homecoming Day this year at Bowsher began with a pep rally introducing the six candidates and their escorts: Amy Behrens and Jim Steinwand; Debbie Bell with Brian Keil; Sue Brandel and Dean Barton; Diane Cook with Tom LaVigne; Toni Sherman and Bill Sherman; and Lori Zientara with Jerry Dittman.

A fire truck with police escort preceded the band in the pre-game parade. The colorful floats, queen candidates, and car caravan attracted many viewers.

Bowsher's 17-6 victory over the Libbey Cowboys was surpassed only by the crowning of Toni Sherman as Homecoming Queen during half-time.

The Freshman Class was the winner of the float contest using the theme "Stop 'em."

The exciting day was transformed into a romantic evening with the dance, "For All We Know."

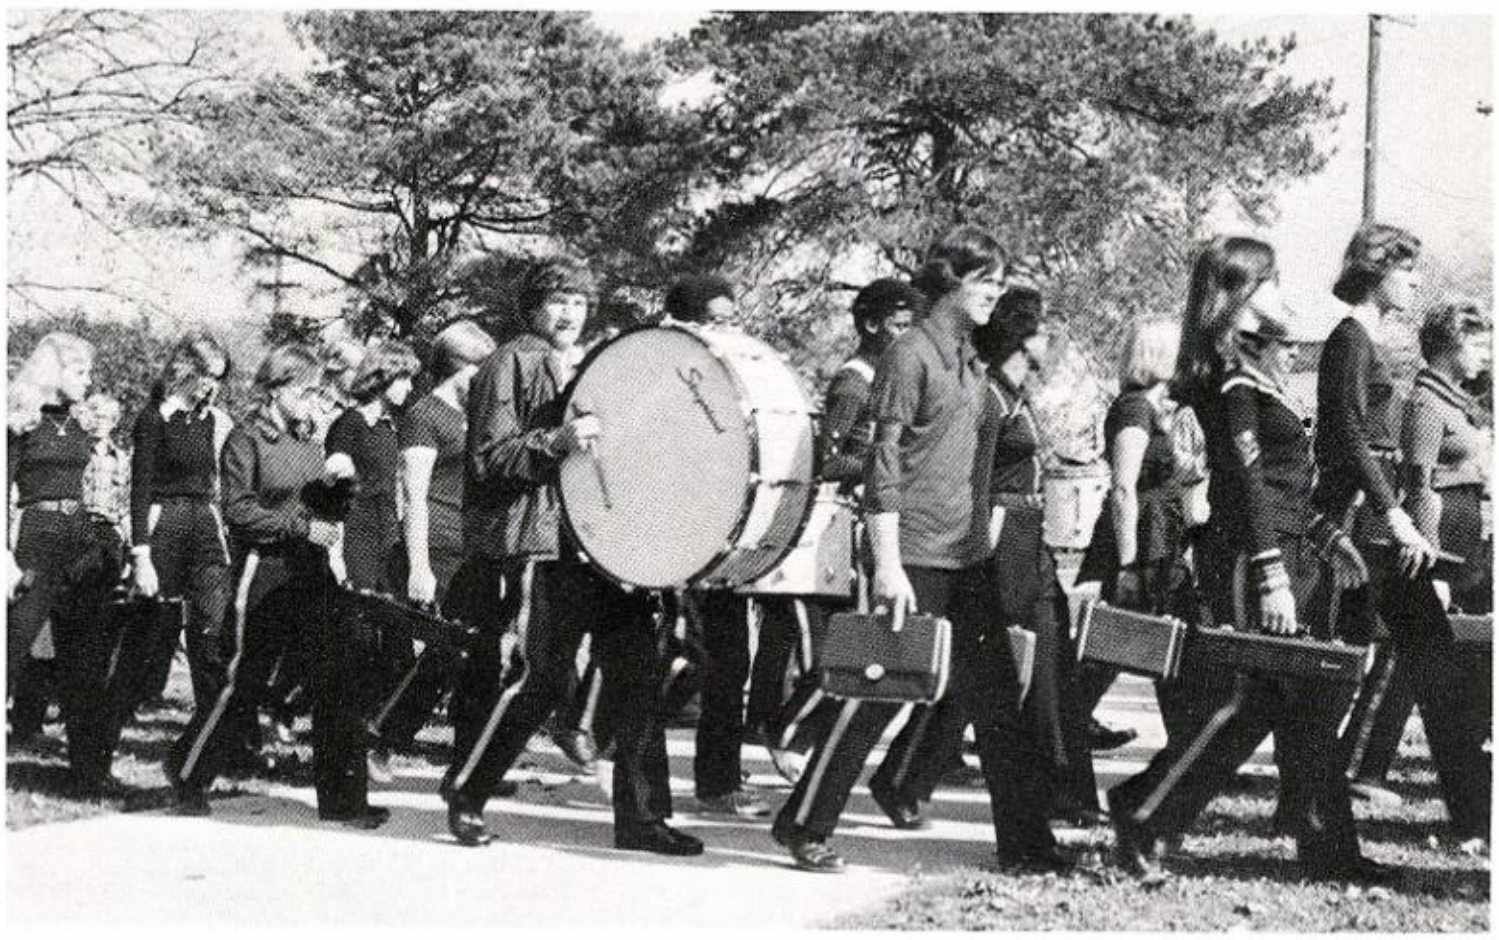
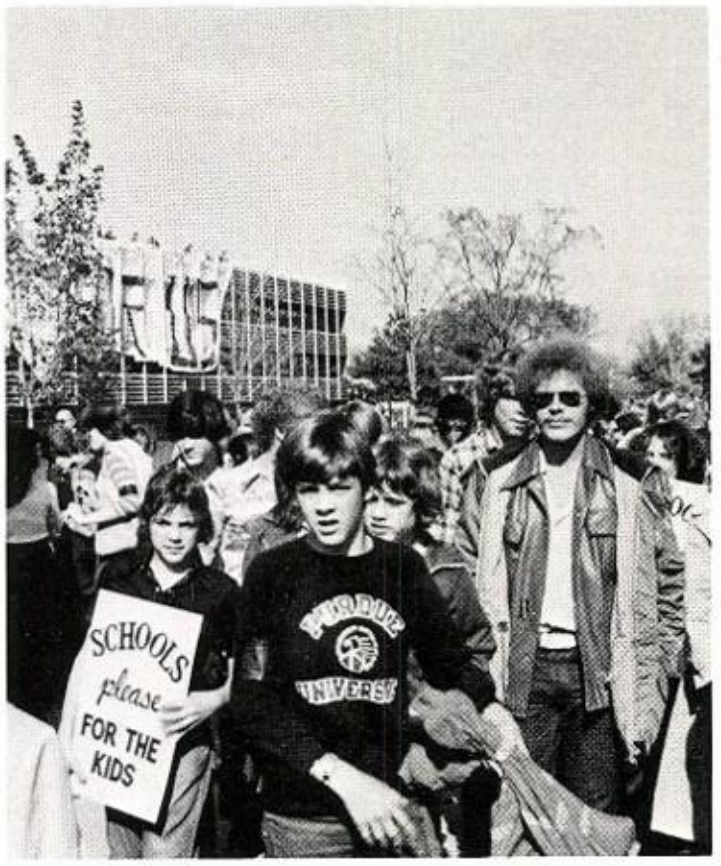
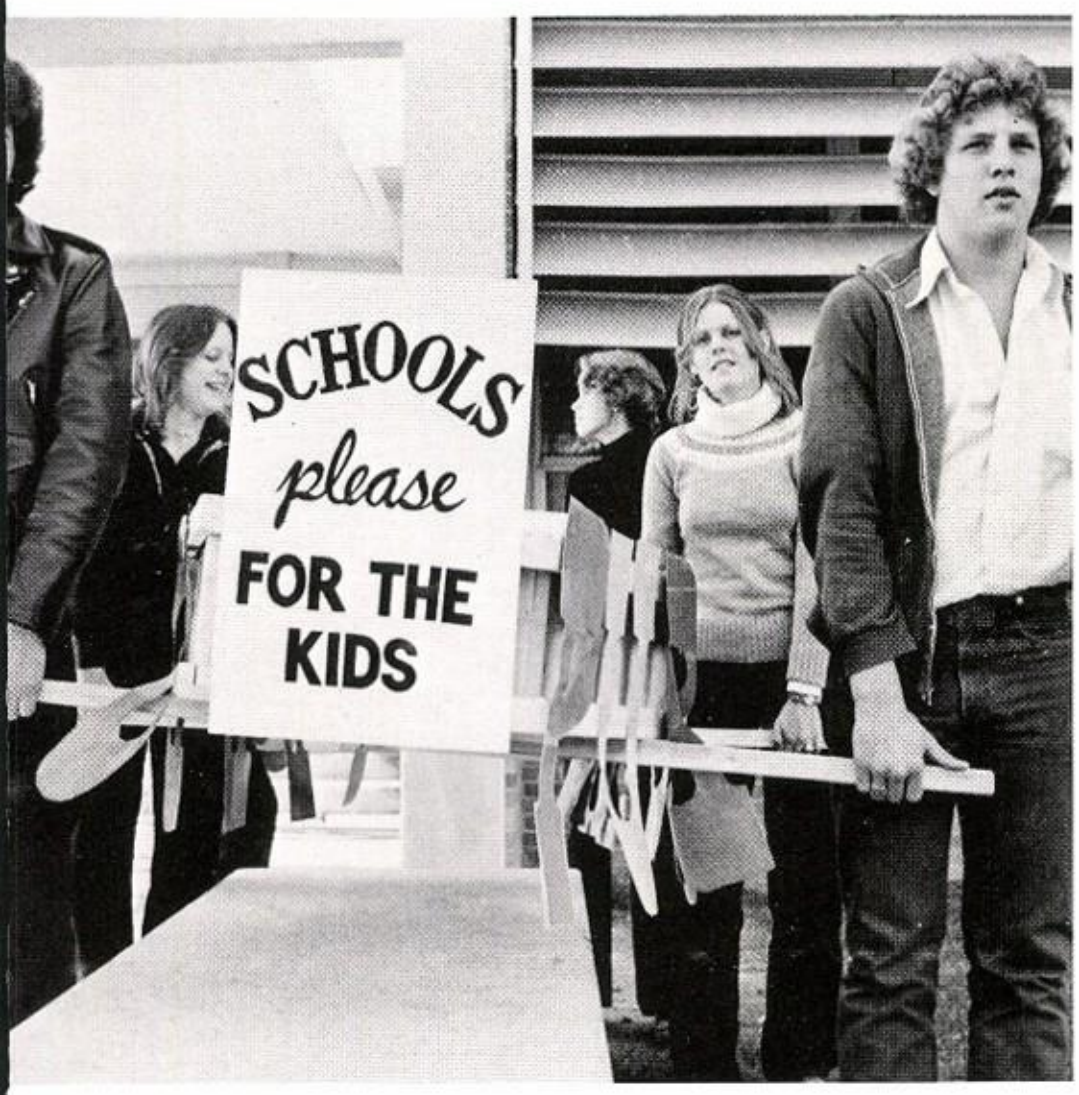
# KEEP SCHOOLS OPEN







On Friday, October 28, 1977, the Bowsher Student Body took an active role to "Keep Schools Open."

Lacking necessary funds, Toledo Schools were to close and remain closed until January unless an emergency levy could be passed.

The last day of classes was declared "Black Friday" with the Bowsher students participating in a neighborhood parade. As Bowsher's great banner was lowered to reveal the words "Please For Us," the parade of students began their march for schools.

Leading the parade was a wooden coffin signifying the death of education followed by band members carrying their instruments in cases. The Student Body respectfully walked to the somber beat of the drums.

The Junior Class, following Bowsher tradition, sponsored the "Candelight Pep Rally" in October.

Using the "Gong Show" as a theme, an entertaining skit included an unknown comic, women football players, guy cheerleaders, and the host receiving a pie in the face.

Following the skit was the traditional lighting of candles by the football players and a march around the track with the band, cheerleaders, majorettes, and students carrying lighted candles.

I enjoy especially the friendly attitude of the Bowsher people. They have a marvelous way of making you feel at home. With the complete different background I have, it would have been at its place to feel a little out of place. But now the Bowsher people have created the perfect atmosphere for an outsider. To narrow it down a little bit I would of course like to mention the junior class. To be really specific I would like to point out my American History class who has a wonderful way of always turning around and look like they are seeing a ghost not to mention the flattering giggling that they always meet you with when you are asking a question. Overall I'm very happy with my stay here. And I'm enjoying every one of my classes with special credit to A.P. English and Miss Papps.

*Sunset and evening star,*
*And one clear call for me!*
*And may there be no moaning of the bar,*
*When I put out to sea,*

*But such a tide as moving seems asleep,*
*Too full for sound and foam,*
*When that which drew from out the boundless deep*
*Turns again home.*

*Twilight and evening bell,*
*And after that the dark!*
*And may there be no sadness of farewell,*
*When I embark;*

*For though from out our bourne of Time and Place*
*The flood may bear me far,*
*I hope to see my Pilot face to face*
*When I have crossed the bar.*

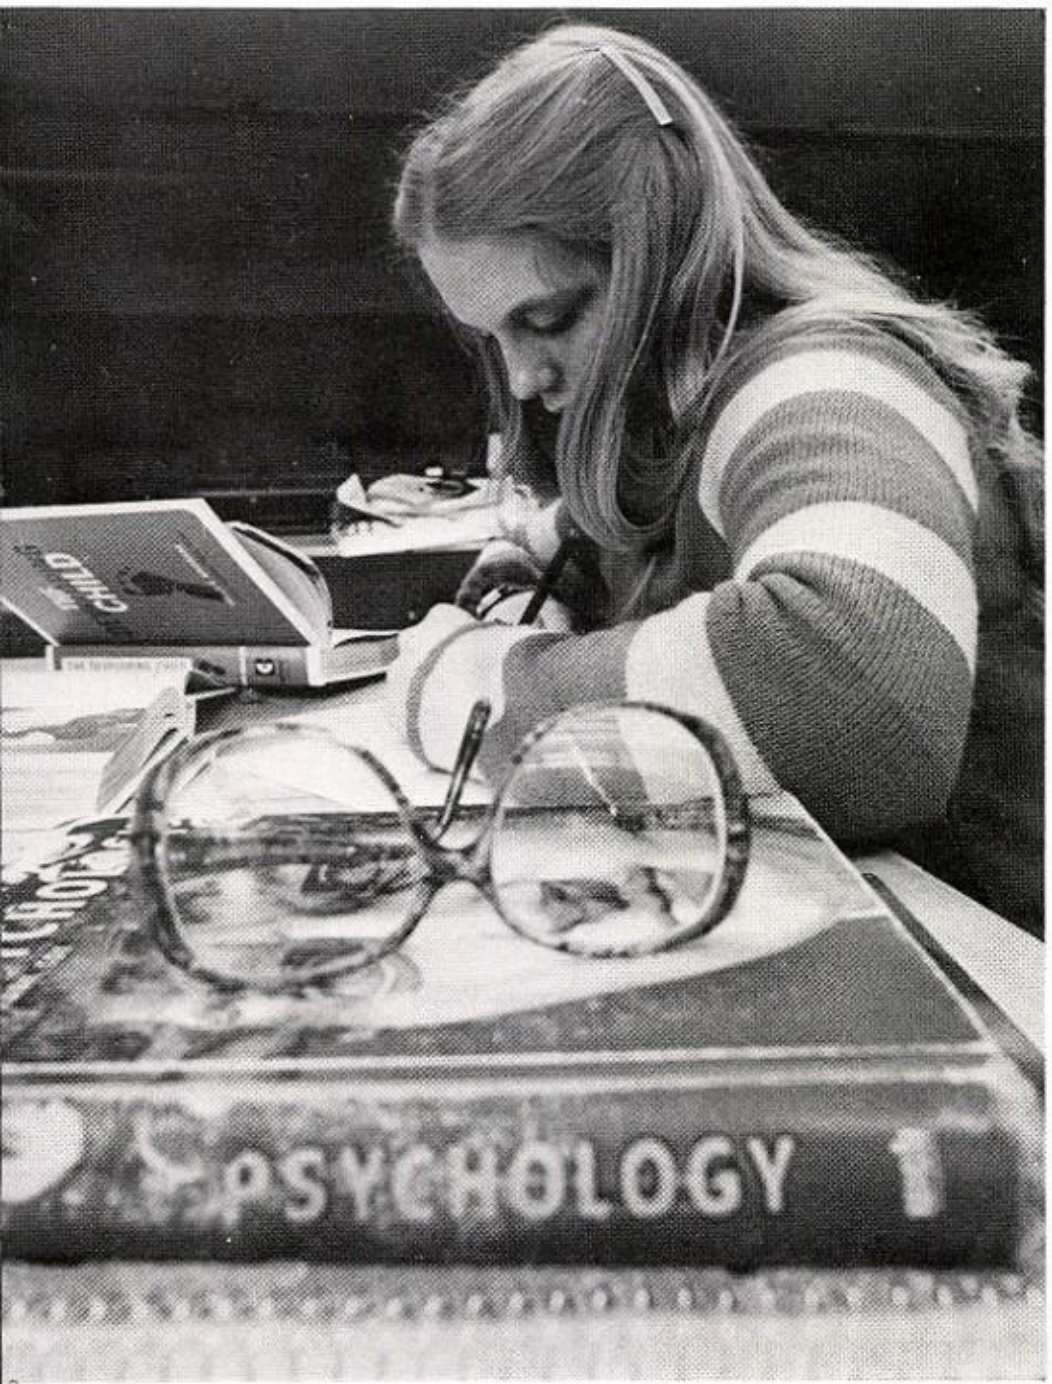
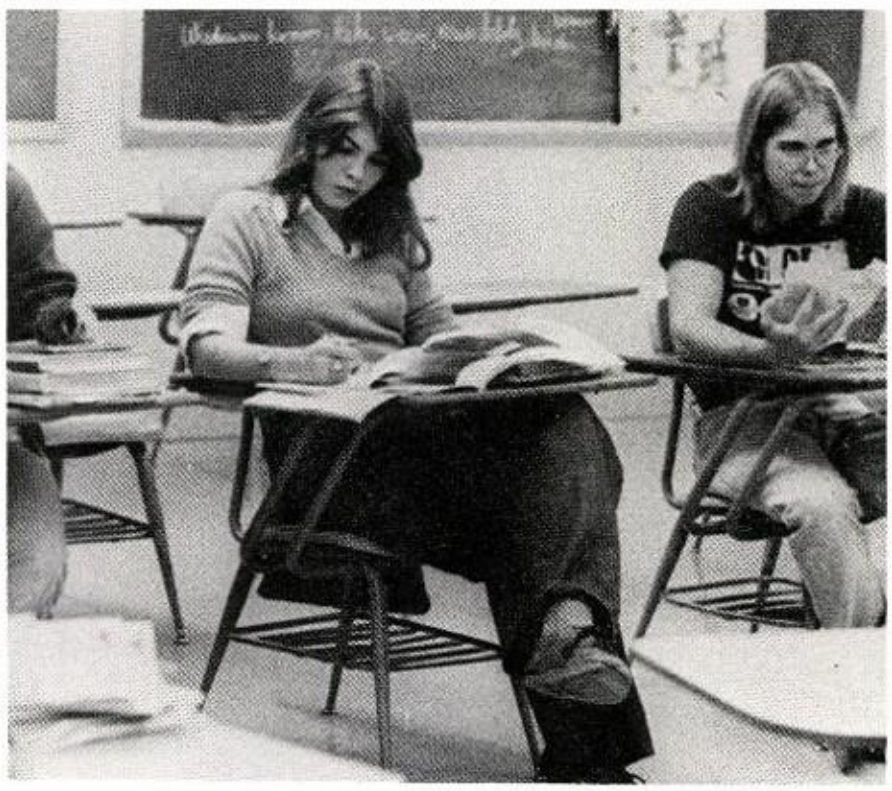
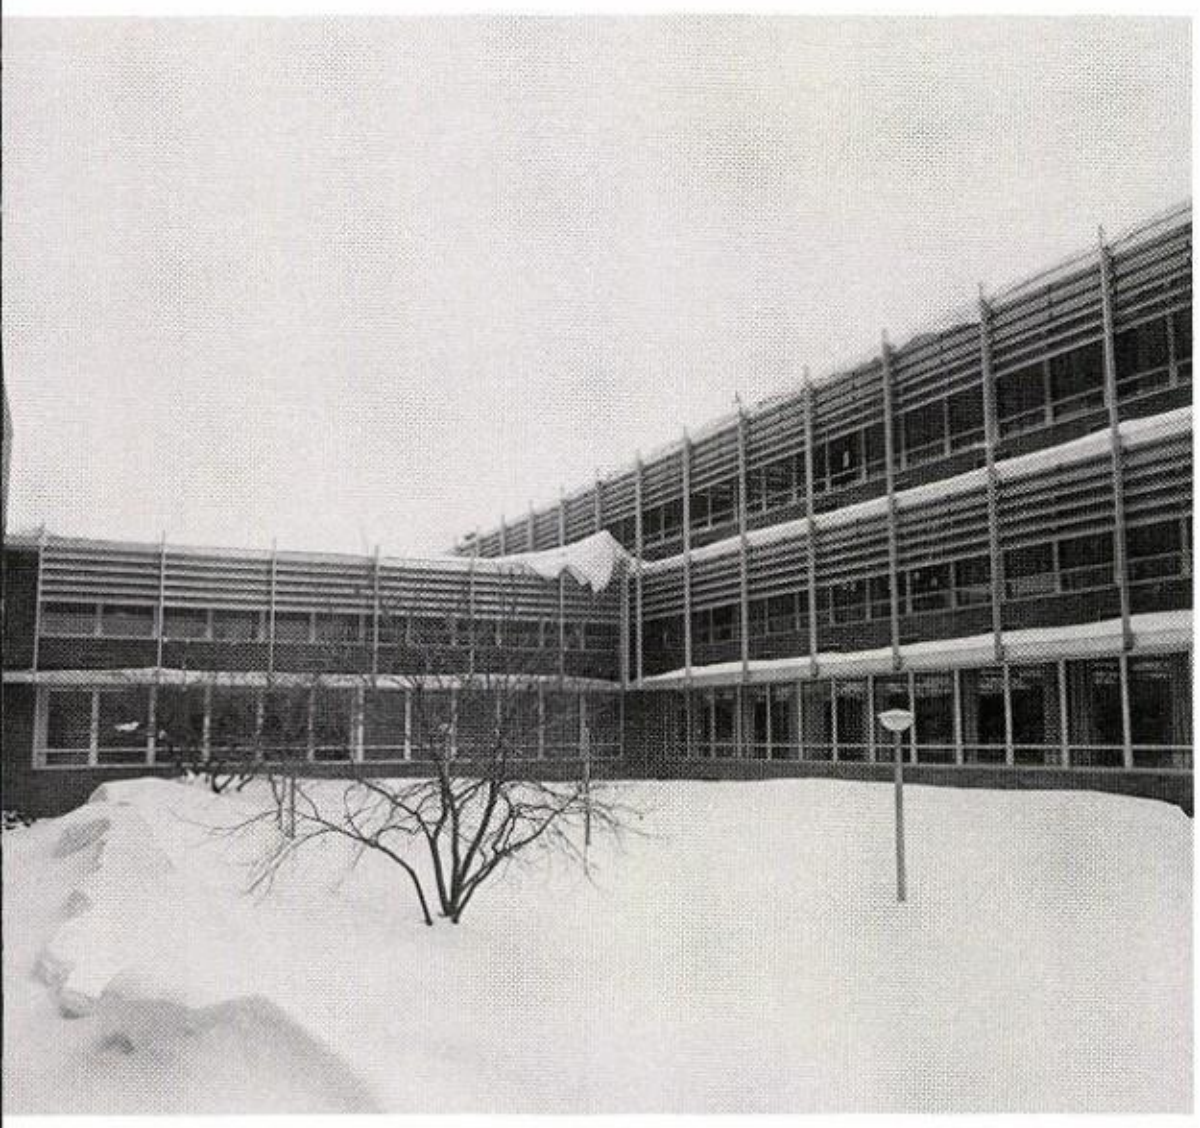
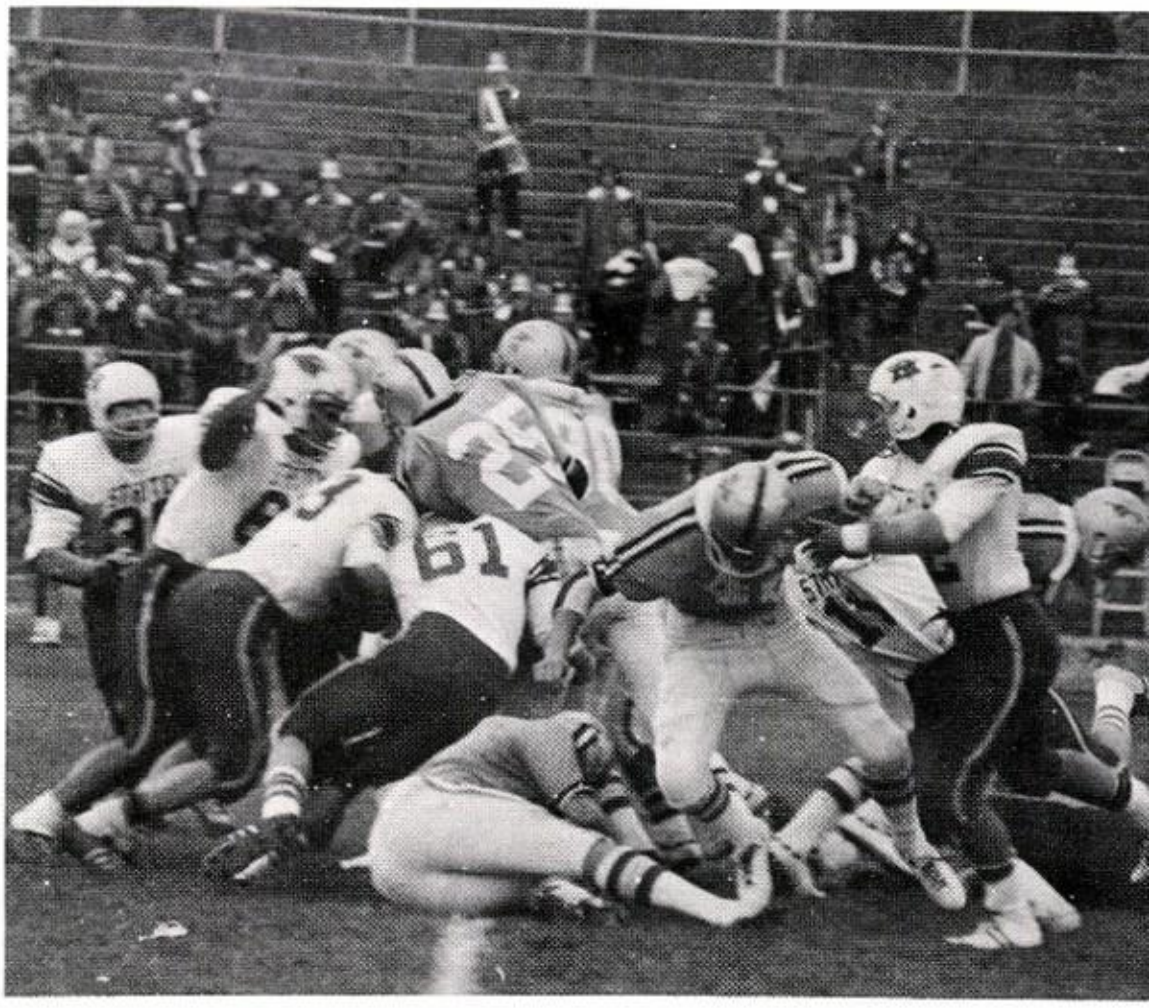
One of the many
phases of our lives
has now been completed.



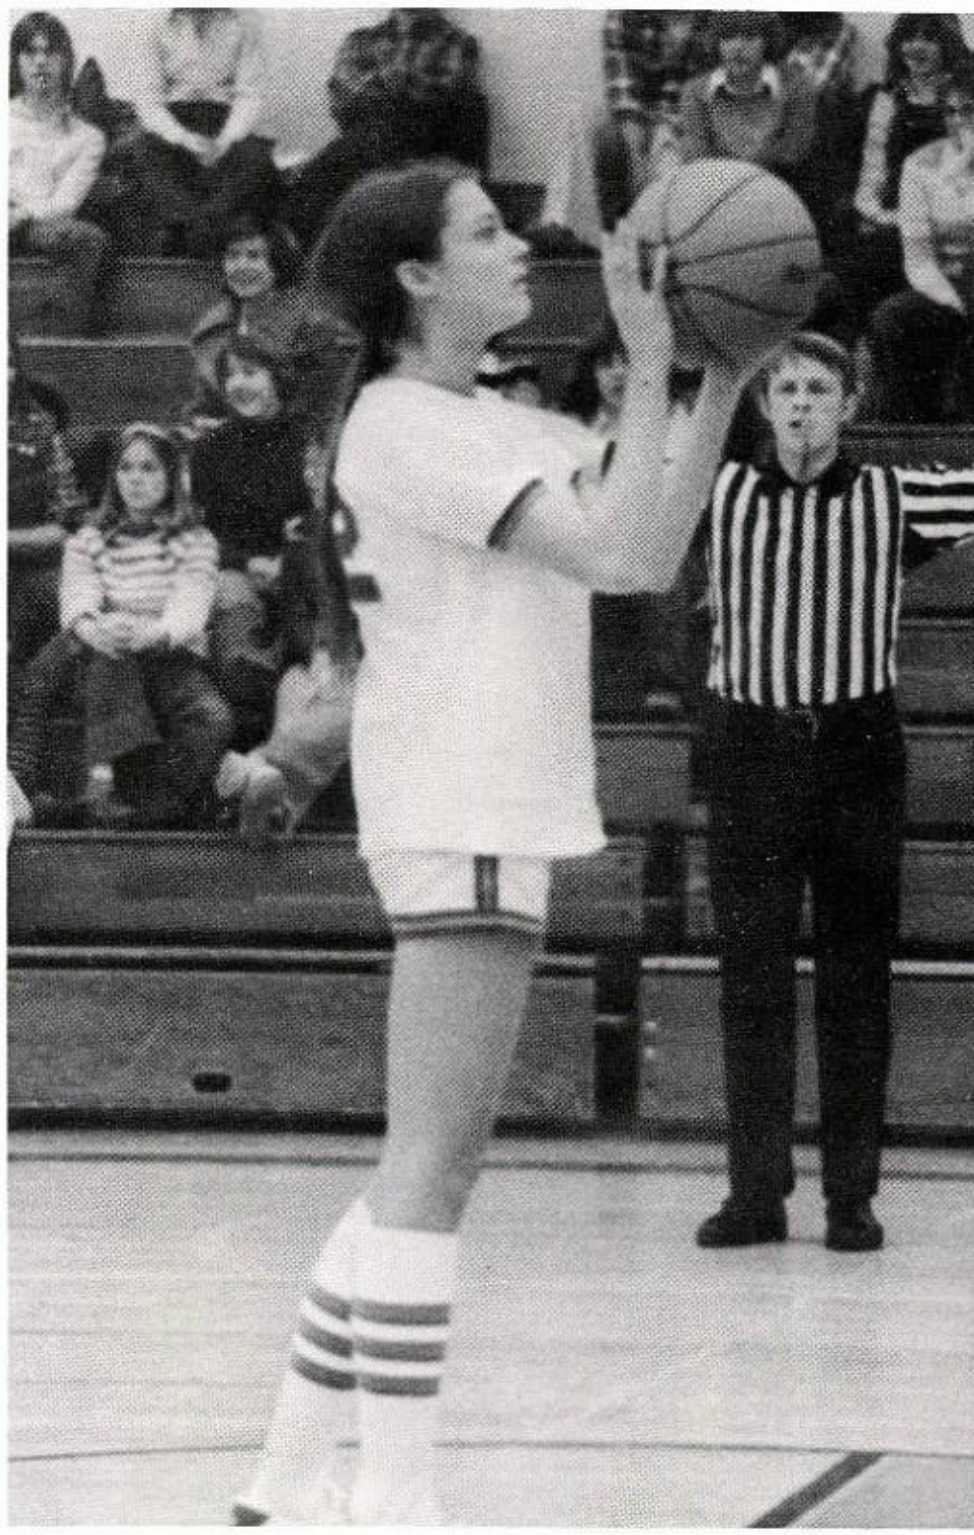




We anticipate the next turn
of our kaleidoscope,
which will result in many
new colors, changes, and patterns.



Each new segment
will lead to yet another turn,
that will complete
each individual's final design.



Look out . . .
animated, revolving, intricate
. . . the new world.

## Have we got a future for you!

You've graduated . . . but now what? A job? Or more education — and **then** a job?

Think about this . . . Fiberglas is the new basic material, used in over 30,000 products from sports equipment to tires to draperies. And Owens-Corning is the world's leading maker of Fiberglas materials. There could be a great future for you — growing with us. Think Fiberglas, think Owens-Corning.

**Owens-Corning is Fiberglas**

# Looking toward the future...

As supplies of natural gas and oil continue to grow scarce, electricity will play an even larger role in meeting the expanding energy needs of our society. That's why Toledo Edison is developing new sources of energy, such as nuclear power, and planning ahead for the power needs of 1990 and beyond.

We're determined to meet this challenge and provide the best possible electric service for your generation and others that follow.
